Beginning in 2017, when reporting concours results, you will find an added "field" in the online scoring page; in this "field", when an Entrant has competed multiple Entries in a single class, enter the last 6 letters/numbers of the VIN or Car Number in order for the JCNA Archivist and the computerized scoring system to recognize each Entry separately. Please advise the Concours Entrant to be consistent in each Concours Event that they are competing with multiple car entries so the computerized scoring system will be consistent for them.
